

Prattville YMCA

John 17:21 Society

The John 17:21 Society was established in 2013 and is comprised of YMCA donors who believe in the mission of the YMCA, to put Christian principles into practice through programs that build a healthy **spirit, mind and body** for all. These donors understand the impact of the YMCA is felt every day when an individual makes a healthy choice, when a mentor or coach inspires a child and when a community comes together for the common good. These donors demonstrate that belief by annually donating at least \$1,000 dollars to the work of the Prattville YMCA. Society members will receive special communications, special awards honoring their commitment to our community and to the Prattville YMCA.
