## YMCA Behavior Management Procedures

### *Philosophy*

The YMCA strives to maintain a positive approach to managing children's behavior at all times. "Discipline" is the process of teaching self-control and the ability to live within limitations and agreed upon guidelines. Expected behavior guidelines are established by the staff and children at each program center. Positive behavior is self-rewarding and allows for program activities to occur. When children choose to behave outside of the guidelines, some consequence is required to avoid future problems. The overall safety of all children in the program is our highest priority.

### *The Process*

As mentioned above, when positive behavior is displayed, the consequences are participation and enjoyment of planned activities. In case of negative or inappropriate behavior, the following process will be employed.

1. Reasoning: Every effort will be made to help the child understand the inappropriateness of his or her actions and agree to an alternate form of behavior.
2. Removal from the Specific Activity: When reasoning has been pursued and behavior has not changed, removing the child from the activity involved for an appropriate amount of time is necessary (one minute per age of child).
3. Child/Director Conference: When the teacher is not successful in correcting behavior, the Preschool Director will be consulted and may decide on longer or stricter consequences if necessary.
4. Parent Conference: If the parent needs to be formally involved in the process, specific changes in behavior will be requested, with specific consequences.

### **Removal from Program for Inappropriate Behavior**

If the above process has not resulted in corrected behavior, the family will be asked to remove the child from the program.

The safety of the child is the highest priority for setting behavior management procedures.

1. When a child has a serious discipline problem (on any ONE occasion), the parent may be called by staff and asked to pick up the child within one hour of the call. (Bullying, biting, or injuring another child or staff member is a serious discipline problem.)
2. Should it be determined by the Childcare Director that a child poses a serious discipline problem; the child may be suspended from the program for a period of 1-5 days or **may be removed from the program entirely.**

A disciplinary problem is defined as one in which a child is hampering the smooth flow of the program by either requiring constant one-on-one attention; is inflicting physical or emotional harm on other children; is physically and/or verbally abusing staff or is otherwise unable to conform to the rules and guidelines of the Program.
